Words from Mrs. Watson...

From time to time, articles come across my desk that I want to share with our readers. There is so much available to our families to watch that it is hard to review it to see if it is appropriate for our families to watch.

Recently, a show was aired called "13 Reasons Why." You may go to www.afa.net/netflix to learn more about this program. Many believe that this program has glorified suicide to our teen-agers. On this web-site, you can read about 14 year-old Anna Bright, who I is just one of the many who committed suicide after binge watching that program.

Please read and be aware. You may wish to join in the petition drive to protect our teen-agers from powerful television programs that negatively influence our students.

Beginning Jan 8th

Front Door Buzz-in Security

Between the hours of 8:15 and 2:45

All entrance doors will be locked between 8:15 and 2:45. Those who wish to enter the building thru the front door will press the door bell located on the side of the front double doors. Receptionist will respond thru the microphone to request your reason to enter. Upon satisfaction of the criteria, the receptionists will release the locked door so that guests will be allowed to enter.

Reminder: Only NBS personnel are allowed to retrieve students from the classroom for their parents during school hours.

All guests who wish to pick up students during school hours should wait in the front lobby for their students.
